PLEASE NOTE: If you select to have your horse Parent Qualified and the resulting report excludes either parent in the case of purebreds or one parent for partbreds on the registration form, your papers will be held until the correct parents are located.

ACKNOWLEDGEMENT

The submitting owner acknowledges that the samples are submitted on the condition that all profiles derived from the samples will be incorporated into the Massey database to be solely used for the verification of the parentage of any animal at any time that is applying for registration with the New Zealand Gypsy Cob Association Inc. Massey will store the samples indefinitely and will only release them if requested in writing to the owner as identified on this submission form. Massey and NZGCA will maintain client confidentiality at all times. The owner verifies that the animal information submitted on this form is true and correct.
