

Update re HoY attendance for 2024.

This is from Horse of the Year. As an Association we are unable to change or waive compulsory conditions. Therefore please be aware:

“Attendance - ALL horses (excluding foals) entering a HOY breed section MUST have competed at a minimum of (2) RAS qualifying between 1st March 2023 & 1st March 2024. It is up to the individual section to determine if these attendances need to be entries in the same section or similar”.

NZGCA allows other sections to be used where there is insufficient access to Gypsy Cob sections to allow two attendances. Our own shows count towards attendance.
